SONIC THE HEDGEHOG™

PREVIOUSLY...

THE BATTLE RAGES ON!

Sonic the Hedgehog is leading Tails and Amy around the world as Team Fighters – a strike team for justice! They've been tracking down Dr. Eggman and the Death Egg II to stop his evil ways and rescue one of their own: the roboticized and weaponized Princess Sally Acorn.

But Dr. Eggman will do anything to throw Team Fighters off the trail, including sending an invasion force to the echidna homeland. The echidnas have been through a lot as of late, leaving only a small population of survivors. It wouldn't take much to destroy their kind entirely, and when our heroes arrived on the scene, a fierce battle between the survivors, Team Fighters, and Eggman's forces erupted. The battle ended with all parties knocked out!

Knuckles the Echidna, revered Guardian of the Master Emerald and protector of his people, arrived after the battle to find the entire echidna population vanished, while Team Fighters lay unconscious on the battlefield. After some investigation, our heroes discovered that Thrash the Devil, a fierce Tasmanian Devil whom they thought to be a hero, had used a super warp ring to transport the echidnas to an unknown location as revenge for the disastrous genetic engineering the echidnas had performed on Tasmanian Devils in the past.

Whatever his motivation, Thrash has just erased the echidna population – and that population's protector is MAD...

Dear Sonic-Grams,
I've always wanted to write to you guys and tell you how much I enjoy Sonic comics.

I've always wanted to tell you how much we enjoy that you enjoy them! :)

I have been a fan since issue 12 (which I got in the 1st grade). Ever since then Sonic has been my hero. When I did art in high school most of my projects were of Sonic and his friends.

Be sure to submit some of your Sonic projects for fan art so we can show it to the world!

I own a couple of the TV shows that were produced and have three shoe boxes full of Sonic comics.

That's a lot of comics! Any red shoes with white straps and a buckle? I know a guy that may have misplaced his pair...

Whenever I first went to the Sonic fast food restaurant as a kid I thought it was a reference to "Sonic the Hedgehog" and was rather confused why they called their signature item a *chili cheese coney* instead of a chili cheese dog. If this was supposed to be a place in honor of Sonic they shouldn't change the name of his favorite food!

Related or not, I'm sure Sonic wouldn't object to a chili dog with the works!

Sonic has brought much joy to my life and has taught me to take things as they come and not be too serious about things. Thanks so much for everything you guys do and keep on making comics. It does matter and it does make a big difference in people's lives, if only a few.

Much appreciation,
John G.

Thanks for the kind words, John!

Dear Sonic-Grams,
I enjoyed reading issue 244. It was great to see Thrash again. And I look forward to next issue which looks awesome. I can't wait for the return of Metal Knuckles. Keep it up, Sonic crew.

-Robert W.
from Mt. Sterling KY

Thanks, Robert! We hope you enjoyed this issue! Get ready for more metal madness next time!

Dear Sonic-Grams,
this is my most favorite comic book series of all time!

WHAT A COINCIDENCE! It's my favorite too! :D

I have a few questions for all of you at Archie.

I'm all ears! And by "all" I mean the only two that I have!

When will Sally be back to normal again? When will Ixis Naugus be back in action? Who is the traitor from the Freedom Fighters and will they be revealed? And, finally, can you give me any dirt on the Sonic-Mega Man crossover event in 2013?

Your fan for all time,
Cole B.

Thanks for the letter, Cole! The answers you are looking for will be revealed all in due time! Hold your hedgehogs! I will say to keep reading Sonic the Hedgehog and Sonic Universe for all upcoming developments! As for the Sonic and Mega Man crossover, if ya just flip to the center of this very issue, you can get all the info you'll ever need to stay on top of this crazy-awesome, action-adventure, maple-flavored extravaganza!
